

# Scissor Alarm Kits

ACCESSORIES

## White Noise Alarms Now Available!

This unique multi-frequency back-up alarm emits a warning signal when the machine is in motion. The Broadband alarm gives an urgent but friendly, “Shh...Shhh...Shhh...” sound. Please contact the Parts Marketing team at 1-877-554-5438 or partsprograms@jlg.com for more information.

### FEATURES / BENEFITS

- Warning signal is more directional and perceived to dissipate quicker than a pure tone alarm
- Sealed for protection against dust, moisture, and vibration
- Instantly locatable
- Easy installation
- Manufacturer Lifetime warranty
